

Taking Tests in Blackboard

Make sure you read your course syllabus carefully before taking a course assessment (test). Instructors may have various course taking instructions. To take a test:

1. Contact your instructor or view your course syllabus to find out where the course tests are listed Blackboard.
2. Click the link to take the test.
3. Confirm that you are ready to complete the test.
If you are not ready to take the test you must click Cancel.
4. Complete the test and click the "Submit" button.
